

Job description is available from the manager.

### **Strawberry Place Surgery**

Salaried GP Vacancy Fixed Term 1 year (4-6 Sessions)

We are looking for a part time Salaried GP to join our friendly team to cover Maternity from January 2022

Strawberry Place Surgery is a purpose built practice situated in Morriston with over 7,000 patients. Our current team includes 2 part time Partners, 2 part time Salaried GP, Advanced Nurse Practitioner, 3 Practice Nurses, HCA and Pharmacist.

We have been successfully running a full telephone triage system since 2012; with the support of our Practice Nurses who take part in the triage and deal with most of the minor illnesses. As a result this has benefitted us during the COVID-19 Pandemic.

We are a very happy team and are prepared to wait for the right candidate to join us. We would encourage you to arrange an informal visit, or alternatively we do have some locum dates available which would give you a good taster!
