

SOLVA SURGERY - PEMBROKESHIRE

Require a Salaried Doctor/Partner (willing to consider job share)

We are an established rural dispensing practice, situated in the idyllic harbour village of Solva on the beautiful coastline of Pembrokeshire.

We are looking for a motivated and forward-thinking Salaried GP or Partner for 4-6 clinical sessions, to join our team and help us to continue to provide a great service to our community.

- 4 - 6 sessions per week – to start immediately (but we're willing to wait for the right candidate). Days flexible.
- 6 weeks annual leave + 1 week study pro rata
- Purpose built premises.
- Holistic family practice – Friendly, caring & compassionate
- Opportunities for teaching – We currently host Swansea Medical Students
- 2500 patients – Dispensing to 2300
- Dedicated nursing (including Chronic disease nurses) and experienced admin staff (fantastic staff retention)
- Fully computerized – Vision & Docman clinical systems
- No OOH, extended hours or weekend commitment required
- Part of the North Pembrokeshire Cluster with access to the Cluster Pharmacist, Physio and Occupational Therapist support.
- Actively engaged in MDT working with wider community team
- Excellent Location – Award winning beaches and the area is a popular destination for people wanting to enjoy the coastal path

Informal discussions and visits welcome.
Salary available upon request.

Please apply with a CV to Jayne Williams (Practice Manager).
