## ADVERTISEMENT FOR PHARMACIST

We at Dulais Valley Primary Care Centre are seeking an enthusiastic pharmacist to join our motivated team as a result of retirement.

The successful applicant will be working closely with our well established prescribing clerk with over 25 years experience in our practice. The rest of the clinical team consists of 3 General practitioners, 2 advanced nurse practitioners, 2 practice nurses and 2 health care support workers. We are a training practice; we have GP trainees and medical students. We are amenable to other training opportunities including pharmacists.

This role is an excellent opportunity to give a Pharmacist a breadth of experience across the diverse, interesting & engaging clinical nature of primary care. We pride ourselves in delivering a high standard of care to our population of 6,000+ in the South Wales Valleys. The successful applicant will be leading medication reviews, including DMARDS and NOACs as well as being involved in audit and developing services. Communicating with local pharmacies and the health board pharmacy team would also be part of the role. An interest in chronic pain would be desirable but not essential.

Our practice is a purpose built facility with ample on site free parking in a semi-rural location approximately 20 minutes from Junction 43 of the M4.

The role will be ideally delivered across 8 sessions but hours are negotiable.

Salary will be reflected on previous experience of the successful candidate.

Please forward a covering letter and CV to our practice manager Mr Lyn Jenkins – [lyn.jenkins@wales.nhs.uk](mailto:lyn.jenkins@wales.nhs.uk) or Dr Gemma Jones – [gemma.jones8@wales.nhs.uk](mailto:gemma.jones8@wales.nhs.uk)

We welcome informal enquires if you wish any further information or if you wish to visit.

Closing date 27<sup>th</sup> October 2023
