

Salaried GP Vacancy

About Us

Cwmbran Village Surgery situated in Cwmbran, Torfaen, Wales - nestled on the Monmouthshire-Brecon Canal, just North of the city of Newport. The practice is an easy drive from Cardiff (30mins) and North Bristol (35mins), there are also excellent rail links with regular services to Newport, Cardiff and to the North. The surgery benefits from ample parking and EV charging on site. We are a large team of clinical and non-clinical staff serving 16000 patients who are looking for the right person to join our team.

With a wealth of experience, we hope to be able to offer a supportive environment for the right candidate to thrive and develop their career within general practice. Most partners are portfolio GPs who integrate their roles into their working week and bring a range of expertise to the team. As a member of the re-training network, with two GP appraisers in-house and 3 RCGP trainers we are well equipped to support newly qualified GPs as well as more experienced primary care doctors looking for a supportive practice.

The practice is excellently organised across two sites by our experienced management team supported by a friendly and hard-working administrative team. With dedicated secretarial and prescribing roles within the practice that help facilitate an enjoyable working environment.
